The transaction contained in the attached certification involves the export of defense articles and defense services for the sale, training, installation, and maintenance of the RF-5000 HF-SSB, AN/PRC-138 HF/VHF, AN/PRC-117A VHF, and RF-5800 Transceivers, RF-7800S Secure Personal Radio, and the RF 6910 C2PC Situational Awareness Application Software for the Secreteria de la Defensa Nacional de Mexico.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,
